3. List the titles of the books you read on the green reading log (included in your book bag).
4. Bring your completed green reading log to the library for free local and regional coupons and other special surprises!
5. After you have completed the green reading log, complete the blue reading log (included in your coupon bag) and bring it in for a FREE book from our selection.
6. Additional reading logs will be available after you have completed the green and blue reading logs. With each completed log you can enter for our grand prize drawings on July 15th.
